

Jenewein & Partners is becoming

AMROP HEVER Slovakia – Global Executive Search

and has grown into

a full-bodied part of The AMROP HEVER Group.

It is a privilege for us to become a full-bodied part of the geographically largest executive search group in the world. From this moment on, our capabilities and your possibilities expand. Owing to this significant change, we are now available for you with services in more than 80 offices in 51 countries. As a result, you have the chance to make use of the extensive thirty-year experience of a global leader, which employs 800 executive search professionals. The change of the brand from Jenewein & Partners to AMROP HEVER Slovakia – Global Executive Search means much more than just a brand change. The transformation also entails a simple access to the globally fastest growing markets of the Central and Eastern European region. You are warmly welcome to take advantage of the professional knowledge of the local market and the global outreach of AMROP HEVER Slovakia – Global Executive Search.
